Motion:	Second:	For:	Against:	Abstain

Officer reports:

Internal:	At today's Happy Hour, the campus police asked if we could verify age of people drinking. Would like us to man the keg to ensure no one not of age can't drink and also rope off area. Student informants have told them that

	minors are getting drinks. We could hold Happy Hour at Anthill Pub for a few weeks. We should discourage students from bringing their children.
External:	Career Day no longer a GSMSA responsibility.
Finance:	No items
Communications:	Need help from officers cleaning out the GSMSA mailbox.
Technology:	Helped P. Navarro with debate. Will create survey for International Residential.
Academic:	Invited to attend Masters Program Council, which is an academic forum. Ben and Vihang unable to attend these meetings due to class. Seeking volunteers to attend. Can we ask Administration to offer popular classes more than once per year? Will approach Vijay, who is responsive to class scheduling.
International:	International Panel held.
Merchandise:	
Section Reps:	Brad – Section 1 suggested heat lamps for outside and would like Entertainment and Media classes. Gary – Section 2 would like a locker room/changing room to change into and out of suits.

Old Business:

New business:

FTMBA International Residential – Dean would like us to poll students to gauge interest. Need at least 20 students and a faculty member. David and Birju will put a survey on the Internet this week. The residential would be in March.

Career Day – Traditionally, GSMSA has run Career Day. For the past few years, Career Services has organized this event, although GSMSA has sponsored it. Right now, GSMSA provides \$500 but Career Services provides logistics. Should this event be run out of the Career Services? This means GSMSA would not provide the money or co-sponsor.

Ben U – most of the clubs end up getting the speakers

Christen – Maybe we can continue having Career Services run logistics, and decide each year how much \$ we will provide.

Inactive Clubs – FEMBA Core and PIC will be invited to attend next GSMSA meeting to speak and state their case whether they still want to be an active club. We'll take a vote regarding their status.

Happy Hour – We require a permit to serve alcohol.

Introduction of new officers: Brad Johnson, Gary Rosenfield, Greg Metzger, John Draper, Robert Motoshige

Today's meeting with Dean –

Don Marten is doing a study on the most opportune time for Happy Hour.

Dean suggested that part-time students approach him about throwing Happy Hours on alternate days.

Possibility of getting corporate sponsors for Happy Hours.

FEMBA's unhappy that music being played during Happy Hours. Disturbs quiet study room. Should we turn off music that affects many students to appease a few complaints? In order to play music, we have to crack a window to run a cord from the quiet study room. Possible solutions, turn music off earlier, turn volume down earlier, use an extension cord.

MPR room can't be reserved for Happy Hour because it is a public space given on a first-come, first-served basis.

GSM Bowl – Need to rearrange play schedule to fit all teams.
