INNOVATE ♦ COLLABORATE ♦ GROW

The Knowledge to Innovate

THE INNOVATION KNOWLEDGBASE FOR ACADEMIA AND BUSINESS

“We have built a collection of the most influential, ‘best of breed’ articles, opinions and academic research available on today’s hottest topic: strategic innovation.”

Christine Beckman
Co-Director
Don Beall Center for Innovation and Entrepreneurship

The Innovation Knowledgebase is designed as a convenient tool to assist business and academic leaders gain knowledge, share opinions and develop insight into the innovation culture – understanding it, building it, sustaining it, and learning from others who have harvested the results.
