## *DEAN'S LEADERSHIP CIRCLE*

### **The Dean's Leadership Circle Night Out at the Hollywood Bowl**

Four lucky members of the DLC had the opportunity to reconnect and enjoy an incredible Saturday summer evening together. Fortunately for the Dean's Leadership Circle we have incredibly generous members such as Visionary member Bill Rowland who donated four box seat tickets to the Hollywood Bowl. We are grateful to Bill for not only his generous support to the DLC but also in keeping his fellow members at the top of his opportunity list. Sheila commented "It was great to catch up with an active member, reconnect with a lost classmate and meet someone new. The benefits of being a member of the DLC reach beyond Orange County and the UCI campus".

The DLC Executive Committee identified four deserving members to reward with an invite to the performance: Kris Maher, Charter Investor; Sheila Burke '01, Charter Member; and recent new member Isabel Satra '01 and DLC Founding Chair & Membership Co-Chair Pam Adams '98. These four ladies enjoyed reconnecting and learning about what each other has been doing over the years. Sheila, EMBA '01 and Isabel, FT '01 hadn't seen each other since school days. They had much to talk about and enjoyed the networking before, after and during intermission!
