

Computing Timeline & To Do List

(FEMBA graduates)

Monday, May 11, 2009

- All Spring 2009 graduating students can access the Alumni Website at <http://merage.uci.edu/go/alumni>
-

Monday, June 15, 2009 through Monday, July 13, 2009

- Graduating students should access the Alumni Website to sign up for Email Forwarding.
 - Graduating students should begin to clear email from their email accounts.
-

Wednesday, July 8, 2009

- By this time students should have activated Email Forwarding for Life. Visit the Alumni Database for instructions (see link above). [Activate this service as soon as possible to keep your email address for life!](#)
 - No NEW Email messages to graduating student Email accounts. Accounts will remain open to students for 2 more weeks so that Emails can be reviewed and downloaded. .
 - **Note:** Use WEBMAIL (exchange.uci.edu) to clear out old email. However, do not attempt to use WEBMAIL to send messages as it will give the recipient a bad email address for you.
-

Tuesday, July 14, 2009

- **Last day** to clear out email from the Email Server.
 - **Last day** to obtain assistance from MBA Computing Support. Graduating students MUST have any Merage-related computing issues resolved by this date. (This includes remastering or reimaging of laptops.)
 - Graduating FEMBA students who would also like to retain access to the Catalyst Career Manager through September 30th, 2009 need to submit a request to catalyst@exchange.uci.edu by this date.
-

Thursday, July 16, 2009

- Physical email accounts and domain accounts are removed for Spring 2009 graduating students. **Important Note: As of this date, your VPN software will be disconnected.**
 - Catalyst accounts removed for all FEMBA graduating students who have not requested a Career Manager extension.
-

Thursday, October 1, 2009

- Catalyst accounts are removed for all remaining FEMBA graduating students.
