

Computing Timeline & To Do List (MBA graduates)

Monday, May 11, 2009

- All Spring 2009 graduating students can access the Alumni Website at merage.uci.edu/go/alumni

Monday, June 15, 2009 through Monday, July 13, 2009

- Graduating students should access the Alumni Website to sign up for Email Forwarding.
- Graduating students should begin to clear email from their email accounts.

Wednesday, July 8, 2009

- By this time students should have activated Email Forwarding for Life. Visit the Alumni Database for instructions (see link above). **Activate this service as soon as possible to keep your username@uci.edu address for life! This service must be activated before your accounts are closed otherwise your UCINetID will be deleted and your eligibility for this service shall be permanently forfeited.** Note, since this service is brand new, there is a chance you will encounter difficulties. If you experience problems, please send an email to: catalyst@exchange.uci.edu.
- No NEW Email messages to graduating student Email accounts. Accounts will remain open to students for 2 more weeks so that Emails can be reviewed and downloaded. .
- **Note: Use WEBMAIL (exchange.uci.edu) to clear out old email. However, do not attempt to use WEBMAIL to send messages as it will give the recipient a bad email address for you.**

Tuesday, July 14, 2009

- **Last day** to clear out email from the Email Server.
- **Last day** to obtain assistance from MBA Computing Support. Graduating students MUST have any Merage-related computing issues resolved by this date. (This includes remastering or reimaging of laptops.)
- Graduating students in the FT MBA program will automatically retain web access to the Catalyst Career Manager through September 30th, 2009 to facilitate job search efforts.

Thursday, July 16, 2009

- Physical email accounts and domain accounts are removed for Spring 2009 graduating students. **Important Note: As of this date, your VPN software will be disconnected.**
