Dean’s Leadership Circle

We shine the spotlight on our Visionary members of the Dean’s Leadership Circle. We are grateful to this group of committed members who have provided an even greater level of support toward the Endowed Professorship Campaign by making a 5-year membership pledge.

Additionally, we wish to acknowledge all of our 2009-2010 contributors who supported the Dean’s Leadership Circle Endowed Professorship. Thank you for making the first 5 years of the Dean’s Leadership Circle such an amazing success.
