Advisory Board

Srinivas Velamoor

Partner

McKinsey & Company

Sri Velamoor is a Partner in McKinsey & Company's Business Technology Office in Los Angeles, CA. He joined the Firm in 2011 and is a leader in the Firm's healthcare IT practice. He also leads the Firm's provider IT and digital health practice areas and related efforts on clinical systems value, healthcare payments, IT transformation and digital consumer engagement.

Sri's client work with McKinsey has focused across healthcare sectors on a variety of topics ranging from strategy and performance to operations and technology.

Before joining the Firm, Sri was a Partner at both Pricewaterhouse Coopers and Diamond Management & Technology Consultants where he advised industry leading firms in financial services and healthcare. Sri holds an MBA in Finance from The Wharton School at the University of Pennsylvania and a BSE in Biomedical Engineering, Electrical Engineering and Economics from Duke University.
