Advisory Board

Julie St. John

**CIO & President of IT Group and Investment Operations
The Capital Group Companies**

Julie St. John is Chief Information Officer and President of Information Technology Group and Investment Operations for The Capital Group Companies. She joined the executive management team of Capital in 2007. Prior to her current role at Capital, she was Executive Vice President and Chief Information Officer for Fannie Mae.

Julie has broad experience in strategy and planning, transformational program management, and all aspects of global technology management. She values the role technology can play in enabling the business, and is a member of the Capital Group Companies Board of Directors in recognition of her contributions to the business.

Ms. St. John holds an MBA in Finance from Florida State University and a B.A. in English and Political Science from the University of Michigan. She is a CPA, licensed in Florida, and a member of the American Institute of Certified Public Accountants. Ms. St. John was recognized as one of InfoWorld's Most Influential CTOs and has received the Gartner CIO Choice Award and the Computerworld Premier 100 CIO Award. She was also included in the Wall Street Journal & Technology's 2008 Gold Book.
