As President and CEO, Mr. Rylance oversees RS Crum's overall investment strategy and is the lead advisor to many of the firm's clients. Mark joined RS Crum in 2003 after spending several years building his own financial advisory practice with Merrill Lynch. Actively involved in the community, he is a past President and Chairman of the Orange County Financial Planning Association (FPA), a member of both the National Association of Personal Financial Advisors (NAPFA), as well as the Sudden Money Institute™, and is a Charter Board Member of The Center for Investment and Wealth Management at UC Irvine. He attributes a large part of his success to his passion for helping people make good financial decisions, both on the investment side as well as other financial planning areas (estate planning, tax, risk management, etc.).

Mark has volunteered his time on a number of philanthropic projects, including Advisors in Philanthropy (AIP), Junior Achievement, Working Wardrobes, the Ronald Simon Foundation, and "It's Your Money". Mark is a graduate of the University of Arizona with a Bachelor of Science in Business Administration.

When Mark is not at work or spending time with his family, there is a good chance that you can find him on a tennis court with his family or friends, out for a run on the beach, or watching an Arizona Wildcats game. Mark lives in San Clemente with his wife Holly and their two children Avery and Evan.
