

Jayson Morgan is a Tax & Business Services Partner in Irvine, California and serves as partner-in-charge of the Firm's National Service Offering Specialty Groups. He is also the leader of the Firm's National Business Enterprise Tax Services Group (for private entities). Mr. Morgan has over 25 years of experience serving business and individual clients with respect to strategic business planning, transactional assistance, entrepreneurial issues, tax planning and tax compliance. Mr. Morgan is passionate about private businesses and their owners. He has spoken frequently to both internal groups (national and local presentations), and external organizations (Real Estate Conference, Banking Symposium, and Insurance Groups) on business, tax, and planning for private businesses. Prior to joining Marcum, Mr. Morgan was a Founding Partner of the California firm WilsonMorgan LLP, and served as the Firm's Managing Partner. WilsonMorgan LLP merged with Marcum LLP in July, 2013. Mr. Morgan also has experience from a Big Four accounting firm.
