The Merage School’s Beall Center for Innovation and Entrepreneurship is pleased to present the winners of this year’s New Venture Competition, outscoring nearly 100 concepts that were initially submitted back in February.

Please join us in congratulating the following teams:

**SOCIAL ENTERPRISE:**

2nd Place: $2,500

Tooke Fabrics

An environmentally conscious means of producing fabric that contributes to climate action and the creation of jobs for widows who are financially marginalized.

1st Place: $7,500

Circular

A service that picks up food waste, composes it using worms, and uses that compost to fertilize a vertical farm growing organic produce, which is distributed back to partner restaurants.

**LIFE SCIENCES:**

2nd Place: $2,500

HydroVasc

A platform injectable hydrogel that has the capability to regenerate tissue and organs.

1st Place: $7,500

StyloSonic

A handpiece that provides key periodontal metrics to accurately diagnose gingivitis in the early stage and reduce the rate of advanced periodontitis.

**BUSINESS PRODUCTS AND SERVICES:**

2nd Place: $2,500

Health Libero

A dual-sided marketplace focused on redefining price transparency in healthcare for patients, while also providing physicians with a CRM system to reduce overall costs.

1st Place: $7,500

Shaka

A culture-building application for companies to keep employees engaged.

**CONSUMER SERVICES:**

TIE! 1st Place: $5,000 each

Mood Cloud

An AI lifestyle/health management app that helps users improve their long-term health.

REMSYS

A resume management system designed for college students to alleviate the hassle of managing multiple resumes when applying to multiple jobs.

**CONSUMER PRODUCTS:**

2nd Place: $2,500

Hydroflow

A smart water bottle cap that tracks water intake and monitors hydration levels.

1st Place: $7,500

MONI

An NFC activated pet tag with a community-based app to monitor pet health and safety.

**GRAND PRIZE WINNER:**

$10,000

Shaka

**AUDIENCE FAVORITE:**

$1,000

MONI
