

How To Wear the Hood

Step 1

Hold the hood with the peach-colored lining up. The point of the hood will point away from the graduate.

Step 2

Place the hood over the graduate's head so that the hood is situated at the graduate's collar. If there is a loop, you can hook the loop around a shirt button or pin it to top of the gown zipper. If there is no loop, you can pin it to the top of the gown zipper.

Step 3

The sides of the hood should lay flat over the graduate's shoulders.

Step 4

Fold the bottom of the peach-lining down to display the school colors.
