Admission Requirements
Applicants may apply online and must meet all prerequisite requirements at the time of matriculation into the program. Admission to graduate standing in The Paul Merage School of Business is accorded to those possessing an undergraduate degree with an acceptable level of scholarship from an institution of recognized standing. Applicants for admission will be evaluated on their academic record and potential for leadership as demonstrated in submitted application materials including:
• Official transcripts from all institutions attended to obtain undergraduate degree (with English translation if needed)
• Two letters of recommendation
• Two essays
• Resume
• Official TOEFL or IELTS (international applicants)
• $150 application fee
• A personal interview (by invitation only)

Next Steps
• Schedule a Personal Consultation
• Connect with an Ambassador
• Attend a Webinar
• Attend an On-Campus Event
• Visit Campus
• Apply

Applications Deadlines
The MIE program has six rounds of application deadlines and it is your responsibility to ensure all parts of your application are completed by the stated deadline date.

October 15
November 15
January 15
March 1*
May 1
June 1*
*Final deadline for international applicants, we highly recommend all application materials, including recommendations, be submitted by this date to ensure sufficient time for visa processing.

*Qualified applications received may be reviewed on a space-available basis.

Master of Innovation and Entrepreneurship
4293 Pereira Drive
Irvine, CA 92697-3125
949.824.4909
mie@merage.uci.edu
The Master of Innovation and Entrepreneurship (MIE) at the University of California, Irvine Paul Merage School of Business is the only program of its kind in the UC System, and provides extensive integrated and immersive academic and practical experience for students looking to embark on careers as entrepreneurs (innovating to form new organizations) and intrapreneurs (innovating within existing organizations).

No GMAT/GRE required.
Co-curriculars and hands-on active learning intensives will develop your skills in real-world situations.

Curriculum focuses on foundation, application, and execution of your business ideas.

Orange County and UCI are a hub of entrepreneurial activities.

The MIE Accelerator Program (MAP)
The MAP journey will take students from an idea to an investor quality presentation. Four key milestones include their Idea/Elevator Pitch, Business Model Presentation, MIE Pitch Competition, and Investor/Incubator Presentations. Both start-up and corporate ideas will be supported. The program will include dedicated workshops, practice / live presentations and extensive feedback from mentors and experts. MAP will integrate with and reinforce course concepts with real-world application to their project. The program will culminate in June with presentations to numerous investor groups and incubator programs, allowing the project to continue post-graduation. Students also are encouraged to participate in the New Venture Competition.

MIE is unique because it is designed as a partnership between the school and the rich ecosystem for innovation and entrepreneurship that exists at UCI and across the entire region. Through this partnership, the MIE program offers students countless hands-on, real-world experiences that build upon the highly focused courses that we created specifically for this program.

Chris Bauman,
MIE Faculty Director
