Certificate in Leadership for Healthcare Transformation

Essential Business Knowledge for Empowerment in the New Paradigm

Now CME accredited

The healthcare value chain continues to undergo major transformation. Traditional education and training has not prepared healthcare professionals for the new environment. In response to this need, the Office of Executive Education at top-ranked UCI Paul Merage School of Business presents the prestigious Certificate in Leadership for Healthcare Transformation (CLHT) program. Now is the time to acquire the new skills and frameworks necessary to thrive and lead in tomorrow’s healthcare landscape.

As the healthcare paradigm shifts from “Fee for Service” to “Fee for Value,” it is critical for professionals throughout healthcare and related industries to understand the new relationships and navigate them confidently.

PARTICIPANT PROFILE:
- Clinicians and healthcare professionals who want to drive personal and organizational advancement
- Leaders, managers, and administrators from hospitals, medical device companies, pharmaceutical companies, and health insurance firms
- Product and service innovators who have a vision of the industry’s future
- Individuals from all disciplines who are passionate about the healthcare industry and transformation

PROGRAM FACULTY:
Accomplished senior executives from the healthcare industry will join our UCI Paul Merage School of Business faculty for specific training modules. Please refer to our website for the most up-to-date information.

MOVING THE NEEDLE – PROGRAM OBJECTIVES:

“The Certificate in Leadership for Healthcare Transformation (CLHT) program better prepared me to be successful in the evolving healthcare environment. The renowned professors and real-world experts were phenomenal, and the interaction with seasoned colleagues in the healthcare industry greatly enhanced my learning inside and outside of the classroom. I found the experience to be extremely rewarding.”
