CONNIE CHEN ’17
MPAc Student Ambassador
Audit Assistant, Deloitte

“UC Irvine’s MPAC program had everything I was looking for in a masters accounting program. Not only did it have great classes taught by well experienced faculty, but I also really liked how it puts a strong emphasis on providing students with assistance in terms of career development through things like one on one career counseling, consultations, workshops, and pro seminars. On top of all that, the Merage has an excellent reputation.”
