This year we proudly celebrate the 30th anniversary of the Corporate Partners! The program enables member companies to learn from each other, align to tackle major issues, and address the realities of our changing economic landscape. Corporate Partners strengthen and enrich the regional and international business community and contribute to the development of dynamic new programs at the Merage School.

The Paul Merage School of Business Corporate Partners create synergy between the corporate community and the School. The program enables member companies to learn from each other, align to tackle major issues, and address the realities of our changing economic landscape. Corporate Partners strengthen and enrich the regional and international business community and contribute to the development of dynamic new programs at the Merage School.
