Have you been to Pretend City Children’s Museum?

• Pretend City is designed for children – infants to 10 years old.
• Pretend City is a community, which builds better brains through fun, whole body learning experiences, and empowers children and their grown-ups to meaningfully connect with and expand their world. This interconnected city allows children to “pretend” to be adults.
• With an entire city at their fingertips, children can experience what it is like to live, work, play, and be a part of a community. In over 15,000 sq. ft. of educational interactive exhibits and activities, Pretend City brings learning and imagination to life.
• Fellow Merage School alumna, Anne Marie Leonard ’00 is one of the visionary founders of the Museum!

We invite you to join the Dean’s Leadership Circle today:

• The Dean’s Leadership Circle is the premier business network of The Paul Merage School of Business at UC Irvine.
• Family Day is one of the many events we offer throughout the year to stay connected with the School and engage with fellow members of the Merage School community.
• For more information, contact Dean’s Leadership Circle staff at DeansLeadershipCircle@merage.uci.edu or 949.824.8865.
